There are spaces available for those wishing to serve as SCTL scorekeepers. Scorekeepers also serve on the Rules committee and Placement committees, and assist with the Captain's meetings and banquets. A **HUGE** 'thank you' to all the outgoing board members, Scorekeepers and captains. Without all the volunteers who so generously give of their time we would not have a league.

A big 'thank you' to **Jim Brown**, our web master, who keeps our www.spacecoasttennis.com Web site running so smoothly.

Senior Mixed Division

The SCTL tennis League is pleased to announce we're starting a new senior mixed division for players 55 years or older in the fall. Tentatively, we're anticipating Sunday at 1:00 pm for play time. We've received a favorable response from our pros about this day and time. This new division will start play in late September or early October and end in March. Format of play will be 2 sets with a third set 10 point match tiebreak for split sets. The minimum number of players on a team will be 8. Since this is a new and, we think, exciting addition to SCTL's tennis league, the board is committed to supporting the start and growth of this division. We'll be sending information to all the captains, clubs and tennis pros as we finalize things. We'll also have all the information on our web site. If you have any questions or suggestions, please contact Pat Meehan at jmpm39@aol.com.
